### Ways to Get Involved!

The information in this newsletter on summer opportunities was compiled by the state parent organization, Northwest Gifted Child Association (NWGCA). Another group, WAETAG (Washington Association of Educators of Talented and Gifted), was organized over 20 years ago to support teachers in their efforts to serve gifted students in all educational settings. The Washington Coalition for Gifted Education (WCGE) is a nonprofit gifted advocacy group that informs legislators about issues related to the education of highly capable students, their families and schools. If you are interested in learning more about one or any of these organizations, please contact Terri Bawden at 662-9047 or check out the website at [www.waetag.net](http://www.waetag.net). Each organization has a \$35 per year membership, or you can join all three for \$90. They all have newsletters and mailings that would be of interest to parents and teachers of highly capable students.

### Camp Invention

The Enrichment Program is hosting the popular Camp Invention program again this summer under the direction of Rozanne Lind. It will be held June 23-27 at Columbia Elementary from 9:00 a.m. to 3:30 p.m. daily. Fliers are available in each building. For more information, contact Mrs. Lind at [lind.r@mail.wsd.wednet.edu](mailto:lind.r@mail.wsd.wednet.edu) or visit [www.campinvention.org](http://www.campinvention.org)

### Enrichment Program Evaluation

Each year the Enrichment Program solicits feedback from our students and their parents in order to continually improve our offerings. We are interested in your ideas and suggestions. Please return this form to the Enrichment Specialist in your building by **June 18, 2008**. Or you may send it to Terri Bawden, Enrichment Coordinator, P. O. Box 1767, Wenatchee, WA 98807 (662-9047). You may also respond to [bawden.t@mail.wsd.wednet.edu](mailto:bawden.t@mail.wsd.wednet.edu).
