

INSTRUCTION

CURRICULUM GUIDES

A curriculum guide shall be prescribed for each course of study offered within the school district. For purposes of this policy, a curriculum guide shall contain the student learning goals of the course of study, concepts and skills to be taught, necessary prerequisite skills and/or knowledge, materials to be used, suggested activities designed to achieve the objectives, and criteria to be used to determine the extend to which objectives have been achieved. A guide may be in the form of a district-developed manual, a commercially-developed product or a textbook accompanied with a teacher's manual.

Each teacher shall conduct the assigned course of study in accordance with the guide.

The superintendent shall be responsible for the presentation, distribution and use of curriculum guides. Copies of curriculum guides shall be available to public inspection.
