

MYD Articulation Minutes  
10/16/06

Present: Desiree Lenard (PMS), Gail Gilbert (Sunnyslope), Roy Draggoo (Columbia), Karen Luft (Mission View), Mike Hopkins (OMS), Andi Brizendine (Wash./dist. trainer), Kathy Campbell (Wash./dist. trainer) Schools without representation: Lincoln, Newberry, L & C, Foothills

Points of discussion:

- Why aren't we getting representation from all of our Elem. & Middle Schools?
- Frustration was expressed by several artic. members of the difficulty they're having getting on the faculty meeting agenda.

MYD Shining Moment: Desiree (PMS) was able to share a handout with MYD procedural reminders with her staff. Kudo's to Pioneer Admin. for prioritizing MYD

Artic. members would like to provide MYD "blurps" that could go in newsletters – either personal classroom or a school-wide newsletter. Desiree has done this and will send a copy to Kathy who will forward them for artic. members to use.

MYD Checklist

- A checklist from Earl Brown to assess how a person is doing with MYD in their classroom was discussed. The artic. members thought this was a positive tool for staff members to use individually to check "How am I doing?" Since it would be used as a self assessment, the suggestion was made to call it a "MYD Self Assessment". Members did some critiquing and Andi volunteered to type up a revised copy and bring it to the next MYD meeting.

Artic. members are encouraging staff to "Elevate the Status" of MYD. The goal would be to have a moment at each faculty meeting to share MYD information.

\*Next meeting is scheduled for Monday, December 11, 3:30 at OMS.

**Reminder:**

**If you are unable to attend the upcoming MYD meeting  
PLEASE, find a replacement so your school is represented.**
