

Parent Permission Form for Publishing Student Work and Group Pictures on the School's Web Page

Name of Student: _____

School: _____

School year: _____

I understand that my student's work or photo may be published on the school's World Wide Web page, a part of the Internet. I understand that the following may be published with this permission:

Requires parent permission using appropriate district release form. Release is good until revoked by parent or child moves to another school within the district. Information or photos must be labeled with "***Posted with Parent Permission.***"

- Student work identified with full name
- Group photographs of two or more students with or without student names (first and/or last names)

Secondary students only

- Individual student photo
- Individual student descriptors such as height, weight
- Individual student statistics such as GPA

The photograph/descriptors/statistics will include a notation that it is published with my permission. I grant permission for the publication of photograph and/or student information as described above, as long as my child is attending _____.

(school name)

Parent Name (please print)

Parent Signature

Date

I, the student, also give my permission for such publishing.
