

WENATCHEE SCHOOL DISTRICT
DRIVER TRAINING AND RESPONSIBILITY
For Transporting Students

Staff name: _____ Date: _____

Before you transport students each school year you must provide your principal or supervisor with a copy of the following and you must also meet the criteria listed below. Please check the correct response and return this check-off sheet along with the required photocopies. This is to be completed before school begins each school year.

- A valid driver’s license
- Proof of insurance
- A valid and current first aid card

	Yes	No
Is your physical health appropriate for transporting children safely?	_____	_____
Has your driver’s license been suspended or revoked in the preceding three years?	_____	_____
Have you had three or more speeding tickets in excess of ten mph over the speed limit within any twelve-month period in the preceding three years?	_____	_____
Have you been convicted or undergone a deferred prosecution for any misdemeanor, gross misdemeanor or felony that is related to the duty of driving students?	_____	_____

Employees whose job assignment or supplemental contract requires the regularly scheduled transportation of students in vehicles with seating capacities of ten or fewer, the district must have a certified abstract of the driving record of the employee before the employee transports students.

Employees are responsible for reporting any potentially disqualifying offenses.
